

## **Digital Signage**

Digital signage managed by the College of Education and Human Performance serves as a visual communication for informing faculty, staff, students, and visitors about our college, campus-wide programs and organizations, and events on our Education Complex, Morgridge International Reading Center, and Teaching Academy monitors.

### **Digital sign requirements:**

- Jpegs, PowerPoint slides, or PDFs
- 1024 x 768 in 72 dpi for monitor rotation.
- 1300 x 940 in 72 dpi displayed as a full-screen on the monitors of the event location.
- Submit digital sign requests 5 business days in advance.
